

BCS Families, **MAY 2023 | SERVING WITH GOD'S GIFTS | 1 PETER 4:10**

I am so proud of the 2nd through 8th graders who have been incredibly focused on the standardized testing this week. They are over halfway done! Please continue to join me by lifting each of our students up in prayer.

This past Sunday, Bethany Bible Church had their spotlight ministry on Bethany Christian School. 8th grade played the bells under Mr. Cahill's leadership and Pastor Paul spoke on the importance of a Christian education. We studied in Genesis 1 how our sole mission is to fill the earth with the image of our Creator because we are made in His image. Here at Bethany, we unapologetically teach that Jesus is Lord and He enables us to keep God at the forefront of our thoughts and minds so that we may be image bearers of God. Colossians 1:17 says, "He is before all things, and in Him all things hold together".

On Monday, April 24th, Bethany Christian School had their inaugural Golf Tournament and Parent Social at Spanish Hills Club. This event was a huge success as our mission was to bring Bethany families together. We had a large representation of both golfers and non golfers, great raffle prizes, and a showcase of our vision for our science program which is now located in the hallway of the entrance of the school. The families that attended the event raised \$45,000 for our science lab! We want to thank all of our donors as we truly would not be able to make this happen without you all. Our goal for phase 1 of this project is to raise \$70,000, so if you are interested in donating, there is an information desk in the front lobby.

It's time we celebrate our teachers, who have been humbly serving you and your child(ren) this year. Our Student Council Service Project Director, Emily Fuller, has come up with a creative way for us to celebrate our teachers as well as our greater faculty and staff next week. Please see her attached PDF for how we can honor them next week, Monday through Friday.

We have so many exciting upcoming events to close out this year. Please mark your calendars with the following important dates and times.

- Week of May 8: Teacher Appreciation Week
- May 5: Father/Daughter event at 6:00pm

With love,
Elizabeth Mathis
