

MS Locker Policy and Agreement

Use of the BCS lockers is a privilege. Bethany Christian School cannot be held responsible for lost, stolen or damaged personal property. By signing the Locker Use Agreement (below), students agree to abide by the terms and conditions set forth by Administration outlined below:

1. All lockers are the property of BCS. Lockers are 1' x 1' x 3'.
2. Use of a locker by a person other than to whom it is assigned is forbidden. Misuse of a locker may lead to termination of locker privileges. Combination locks are provided by the school. Your combination is for your use only. Do not share your combination. The front office has a copy of your combination should you forget it.
3. Administration reserves the right to open a locker without the consent of the student to whom the locker is registered in instances where locker procedures are being abused or in the case of an emergency situation.
4. Flammable materials, dangerous chemicals, explosives, weapons, contraband, alcohol, or drugs of any kind, including homeopathic, prescription, or over the counter, are strictly prohibited inside the lockers.
5. Perishable items such as food or drinks are also strictly prohibited overnight inside the lockers. (Lunches may be stored in the locker during the day.)
6. Students are not permitted to affix anything to the interior or exterior of their lockers with tape. This includes no birthday celebration items such as balloons, etc. Magnetic attachments are permitted for interior items such as pencil holders, posters, etc. No confetti, glitter, stickers or paint allowed. All decorative materials must be positive and represent Christ well.
7. Students are not to write on the lockers' interiors spaces, nor the exterior surfaces.
8. Lockers are to be kept neat and treated properly.
9. Students are advised to keep valuables in their locked lockers or in their possession at all times.
10. Upon assignment and during use, students are responsible for reporting any damage or needed repairs to Mrs. Smith. Students will assume the cost of any unreported damages.
11. All personal items must be stored completely within a locker. All items left outside of a locker, whether secured or not, will be removed and disposed of accordingly, or placed in lost and found.
12. The locker agreement is revisited on the first day of school every year. Every student must renew their agreement at this time. At the end of the year lockers that are not cleaned out will have the contents disposed of accordingly.
